

Bromley Parish Church Monthly Alms:

The Charity represented for the month of April is: **USPG** – The United Society for the Propagation of the Gospel.

USPG is a major voluntary mission agency of the Anglican Church in Britain and Ireland. Founded in 1701, the Society serves the worldwide church in over 50 countries. It does this by sharing people and resources, faith and ideas. USPG also provides vital funding for education, health care, pastoral care and theological training. USPG works in partnership with the church worldwide encouraging Christians in Britain and Ireland to learn and receive from other parts of the worldwide church as well as to give.

USPG Vision and Statement – USPG wants to see God's reconciling love for creation, as shown in Christ, brought to life in all people and in all places.

USPG Mission Statement - Recognising the special place that the poor and excluded have in God's heart, USPG will:

- Witness and work with others by pro-claiming God's saving love brought to life in all people in all places.
- Serve, challenge and be challenged by the worldwide church as it proclaims the reconciling work of God in Christ for all.
- Promote justice and share resources and experiences to further God's Kingdom.

This very worthy cause requires all the assistance it can muster and deserves the continuing support and endeavours on its behalf that St Peter and St Paul gives it.
