Two thousand years after he walked the earth, Jesus of Nazareth remains one of the most talked-about and influential people who has ever lived. The things he said the way he lived and died and rose again, have a fascination even for people who are turned off by the idea of church and religion. Rejesus.co.uk is a new website for people who are curious about Jesus. Here you can discover interesting content, view video clips, ask questions, play games and join online discussion – all about Jesus and his followers. There are sections on The Story; Spirituality and Prayer; Artists Impressions of Jesus and community discussion boards.

The vision of the site is to create a quality, accessible and welcoming place where Jesus can be explored and discovered. The site has been warmly commended by the Archbishop of Canterbury, the Cardinal Archbishop of Westminster, the Moderator of the free churches and the General Secretary of the Evangelical Alliance.

Leaflets giving further information about this valuable resource are available at the back of Church and in the Children's Chapel.
