**KEY**

"A house becomes a home when  
you can write "I love you" on the  
furniture."  
Life is short. Enjoy it!

Dust if you must,  
but wouldn't it be better  
to paint a picture or write a  
letter,  
bake a cake or plant a seed,  
ponder the difference between  
want and need?

Dust if you must,  
but there's not much time,

with rivers to swim and  
mountains to climb,  
music to hear and books to read,  
friends to cherish and life to  
lead.

Dust if you must,  
but the world's out there  
with the sun in your eyes, the  
wind in your hair,  
a flutter of snow, a shower of  
rain.

This day will not come around  
again.

Dust if you must,  
but bear in mind,  
old age will come and it's not  
kind.  
And when you go - and go you  
must  
you, yourself will make more  
dust!

It's not what you gather, but  
what you scatter that tells what  
kind of life you have lived.
