Wendy Williams

How old are you?

38yrs old

Where do you live?

Murray Avenue, Bromley

Do other members of your family attend BPC?

Three daughters Sophie (8yrs), Emma (6yrs), & Natasha (5yrs)

What is your occupation?

Mother of three, though I have worked as a support engineer in production supervision, and quality management. In my younger days I was a trained shoe fitter, though I can't fit my own very well (blisters!!) I'm vice chair of my daughter's school PTA. In January I started a weekly cookery class, and I'm currently taking my second module of five to gain a city & guilds in gardening (only one in the class who is not really a gardener, just own a large garden!!)

Do you have any particular hobbies and interests?

You would assume cooking & gardening!! These are new interests that I am developing. In my child free time I enjoy embroidery, keeping fit, and reading.

What are your musical tastes?

Anything you can sing along too on the radio!! Loved Abba when I was young, & still know all the words as my parents had all their records. Like "soft" metal, & claim fame to having been to both a "Wet Wet Wet concert, & Kagagoogoo!!". My first record was a Donny Osmond one. I like Celine Dion, & all those that sing with quite a powerful voice, so I can join in!!

Which radio station do you listen to?

I switch between Capital, Kiss FM, Magic, & Virgin to get constant music in the car. However, I'm mainly tuned into Heart FM.

What are your favourite television programmes?

Have to admit to liking daytime TV with Home & Away, Family Affairs, & Neighbours/Doctors on during lunch or at teatime. Enjoyed the Big Brother series, & The Apprentice, though as I don't have control of the remote in the evenings, there are quite a lot of sport & documentaries watched. My favourite must be Jonathan Ross on a Friday night!!

Which famous living person would you like to meet and why?

Tom Cruise, my idol from Top Gun when I was 18!

Bruce Willis, as he's just got one of those really "fun to be with" faces!!

Harrison Ford, I've always had a soft spot for this one!

How long have you been worshipping at BPC?

Since October 1997. Moved to Bromley in August, & went along to see how I could get Sophie baptized. I wanted to go back to church for at least 6 months, though that was nearly 8 yrs ago. Everyone was & still is so very friendly, & have become our church family.
