Monthly Alms: The Charity represented for the month of June is: The Leprosy Mission – Restoring health and hope for the future.

Founded in 1874 by Wellesley Bailey to help leprosy sufferers in India, The Leprosy Mission is now an international Christian medical charity with 2,300 field staff caring for some 200,000 people affected by leprosy in over 30 countries.

TLM works directly through its own or aided hospitals and programmes and in partnership with voluntary agencies, churches, governments and international organisations.

Paramedical workers hold surveys in towns, villages and schools to detect and treat people with leprosy. TLM runs schools attached to some of its larger hospitals to provide both treatment and education to children with leprosy and to youngsters whose parents or siblings have had leprosy as they too often suffer stigma and rejection.

TLM has Vocational Training Centres (VTC's) where young people who have had leprosy are taught a trade. Through its community based rehabilitation TLM gives people a loan for equipment, live-stock, supplies for setting up a small shop etc.

TLM is committed to curing people, providing reconstructive surgery, preventing further disabilities, rehabilitation and vocational training.

This very worthy cause requires all the assistance it can muster and deserves the continuing support and endeavours on its behalf that St Peter and St Paul gives it.

Veronica Mountford.
