A Grace from Argentina

God bless to us our bread  
 Give bread to those who are hungry  
 Give hunger for justice to those who are fed  
 God bless to us our bread

## Sunday School

We continue to follow the Seasons of the Spirit course with all ages from infants up to Year 10 children. The material for Lent and Easter focuses on creating a sacred space for worship and for learning.

The introspective mood of Lent suggests an opportunity to slow down and look inside ourselves, to reflect on our lives and our world. The children will be encouraged to look at wilderness periods in their lives as times that bring strength and new beginnings.

Easter focuses on celebrating the resurrection, exploring the questions and doubts they have about their faith and experiencing the post-resurrection stories of hope, vision and transformation.

These studies are supported by strong course materials and beautiful art images. The posters the children will be using will be displayed in the Children's chapel throughout the course. Further support materials can be found on the website: [www.spiritseasons.com](http://www.spiritseasons.com) Leaders and helpers are always welcome. If you would like to help please speak to one of the existing team to find out more.
