

## Bromley Parish Church Monthly Alms:

The Charity represented for the month of March is:

### **CMS (Church Missionary Society)**

CMS is an international movement of people in mission, committed to obey God's call to engage in and support holistic evangelistic mission. Members of CMS commit themselves to live and share the gospel, inform themselves and others about God's work at home and abroad, pray regularly for missions and generously use the time and money entrusted to them as God's gifts.

CMS supports around 180 mission partners serving 30 countries on all continents. Most work in tough, highly challenging situations. In total, CMS works with 1,500 partners in 50 countries. Staff are available to help churches raise the profile of mission in Britain and overseas and to advise on practical mission issues and strategy.

CMS, was founded in 1799 and is a UK-registered charity. In 2002, CMS integrated with Mid-Africa Ministry (MAM). About £9 million a year is needed to sustain and expand their work.

- Publications include "YES" magazine, "Prayer News" and the "CMS Newsletter" (all quarterly). "Christian in Contact", a prayer cassette with notes, is produced ten times a year.
- CMS produces a range of posters, educational resource packs and audio-visual materials for all ages.
- CMS has close links with sister movements in Australia, Ireland, New Zealand, Nigeria and the USA.

This very worthy cause requires all the support and assistance it can muster if it is to maintain and expand its much needed work.
