We believe in life before death Christian Aid Week, 9th – 15th May 2004

By supporting Christian Aid Week, you are among millions of people who think poverty is a scandal we do not have to accept. Your actions, commitment and contributions will bring about a better life for people in poor communities all over the world. We believe in life before death. Life is for living, not merely surviving.

A little of your time can help people in the Third World stand on their own two feet. You can be an important part of this year's Christian Aid Week by volunteering to deliver and collect our red donation envelope. Contact Don MacKenzie or Gloria Toplis or phone 020 8658 0498. New collectors are desperately needed for house to house and high street collections. Some of the rounds are quite short!

**A Christian may not always be conscious of the Holy Spirit's
presence, but he would not even be a Christian in his absence.**
